

Welcome to The Vine Preschool where seeds of knowledge are planted and learning grows and grows! At The Vine Preschool, I want you to feel a sense of family and I want you to feel peace and comfort when you drop your child/children off. For my staff and I, this isn't just a job, this is our passion and we love this age group!

As early childhood educators, my staff and I understand how precious every moment of your child's development is and we value the time we spend with your children. We will celebrate every milestone, facilitate every discovery and guide your children in the direction of success emotionally, physically and cognitively.

We will communicate with you through HiMama™, a Parent Engagement software program. "Being a parent is always busy and memories are easily lost without a convenient way to record them. Capture moments and memories that would normally be fleeting. Big or small, your child's special moments are too precious to forget. With HiMama™, you'll receive updates on your child's activities delivered straight to your email and smartphone – everything from health and nutrition to learning and development. You can manage your child's online portfolio, communicate directly with your child's teacher, and share updates with close family and friends." (<https://www.himama.com/parents>)

For our program, your child's Daily Report will automatically be emailed to you every evening around 7:00pm, but you have access at all times so you can check in throughout the day. Just keep in mind that our staff will not be inputting information throughout the day, but rather inputting information at specific intervals when they have a free moment: usually during nap time or towards the latter part of the day.

Your child will enjoy all that The Vine Preschool has to offer and that includes our age appropriate STREAMin3 curriculum, our Christian themes education (at the preschool level), our STEM activities, and our Power Tots program at both locations (toddler/preschool gymnastics) Dance class hosted by Dancing Little Stars, LLC at our Wesley location and Soccer, hosted by Happy Feet Soccer, also at our Wesley location.

If you ever have any questions or concerns feel free to contact us at anytime.

Thank you again for choosing
The Vine Preschool for your child's
first milestones and early learning experiences,

Mrs. Kimberly B. Vargas, Owner
